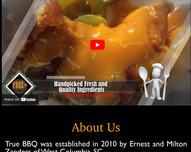
"Home of the best hash and rice in South Carolina!"



About Us

True BBQ was established in 2010 by Ernest and Milton Zanders of West Columbia, SC.

The restaurant first opened to be able to serve lunch and dinner on Thursday - Saturday. Because of customer feedback and popularity, True BBQ changed hours and opened Wednesday - Saturday to service their customers.

This vision was birthed from 2 brothers:The chef extraordinaire, Ernest Zanders and his wife Karen Mikell who sold bbq as a pedder across Columbia from their car, and Milton Zanders, the management guru.
Joining forces -- TRUE BBQ was born.

As a family owned restaurant,True BBQ is dedicated to making sure our services exceed expectations. Call on True BBQ for lunch, dinner and for catering events.

Mission statement: Great product, great service, great attitude and a clean place!
